THE GOD OF GRACE

This term, we will be hearing about God. Wait a minute - isn't every sermon about God? Yes, but we'll be asking the question of who God really is and why it is that we can trust him. What is his true identity? How can he be powerful and yet loving? Why is he invisible? Why did he make things as they are? How can he be good and yet stand by when there is evil in the world? How can he know everything there is to know? And most of all - how can an all powerful God become a human being?

A MESSAGE FROM OUR RECTOR

"Transformed by Grace to Love One Another, to Serve the City and to Share Christ."

At St Mark's Anglican Church Darling Point we want to help people connect with God. We want people to experience his love and mercy. We are not a community of perfect people. In fact, we are the opposite! However, we are a community who gather together because we need to hear the message of God's mercy to us in the death of Jesus Christ.

We believe that the best way to discover more about God is in community. That's why we provide different opportunities during the week to get together, enjoy each other's company, and to find out more about God. Our church is a hive of activity, with something for everyone. But it all has the same purpose: we want to be shaped by the good news of Jesus Christ, so that we can be used by God to do the things he wants done – in the Eastern Suburbs, in Sydney, and across the world. We hope that you will join us.

Michael Jensen, Rector
