Join The Friends of St Mark's

The Friends of St Mark's welcomes members of all ages and anybody for whom our beautiful church has a special meaning, regardless of whether or not you attend church.

The Friends was established in 1954 as a group desiring to connect people with each other and St Mark's, while furthering the life and ministry of the church. This role continues today, with the group keen to draw people together and rekindle our broader community connections.

We are planning a series of events and hope you can join us. These will include an annual service and lunch, regular addresses by distinguished speakers on a broad range of topics, musical concerts, and a variety of social events.

REGISTER to become a Friend of St Mark's. You will be placed on our mailing list to be notified about our future events: <https://stmarksdp.org/whats-on/>
