St Mark's has a long tradition and commitment to sharing fine choral and organ music with both our regular congregation and wider community. The Cultural Trust has been founded with the vision of growing this ministry which is so much a part of who we are. The launch is an opportunity both to celebrate and learn more about our vision for supporting music at St Mark's and how you can be involved financially. Currently St Mark's Music supports our Choir Scholarships and Organ Scholarships. We are excited to see how music at St Mark's can continue to thrive and expand with your help.
