## **Course overview**

The Taste & See course is an invitation to explore the timeless message of Jesus over good food, good company and good conversation. Over four weeks and four different meals, we examine four big ideas about God around the table. We tap into questions of meaning, purpose and hope and hear God's invitation to life. There will be opportunities to hear a thought-provoking presentation from the Bible, listen to personal faith stories, toss around some big ideas, ask questions, raise doubts, or just quietly listen in.

## What's on the menu?

**Week 1: It Was Good.** We kick off with a vegetarian banquet celebrating food fresh from the earth and exploring the wonder and beauty of God's good design.

**Week 2: What's Gone Wrong?** We break all of our own rules and indulge in a deliciously greasy fast-food feast.

**Week 3: The Great Rescue.** We share a Middle Eastern meal that has ancient significance. Based on the Jewish annual Passover celebration remembering God's rescue for thousands of years.

**Week 4: Future Hope.** An international banquet in celebration of the new life that is offered by Jesus.
