Life in the Light of Sovereign Grace series

What is God's plan for the world and for his people? Who knows why some people turn to him and some don't? From our perspective, it can be hard to see what he is up to. But in the second half of the famous letter to the Romans, Paul tells us what we need to know: that the merciful God is working his good purposes out through his people and their unique kind of life, marked by the kind of grace and love that he has shown them in Jesus Christ.

A MESSAGE FROM OUR RECTOR

"Transformed by Grace to Love One Another, to Serve the City and to Share Christ."

At St Mark's Anglican Church Darling Point we want to help people connect with God. We want people to experience his love and mercy. We are not a community of perfect people. In fact, we are the opposite! However, we are a community who gather together because we need to hear the message of God's mercy to us in the death of Jesus Christ.

We believe that the best way to discover more about God is in community. That's why we provide different opportunities during the week to get together, enjoy each other's company, and to find out more about God. Our church is a hive of activity, with something for everyone. But it all has the same purpose: we want to be shaped by the good news of Jesus Christ, so that we can be used by God to do the things he wants done - in the Eastern Suburbs, in Sydney, and across the world.

We hope that you will join us.

Michael Jensen, Rector
