## A MESSAGE FROM OUR RECTOR

*"Transformed by Grace to Love One Another, to Serve the City and to Share Christ."*

At St Mark's Anglican Church Darling Point we want to help people connect with God. We want people to experience his love and mercy. We are not a community of perfect people. In fact, we are the opposite! However, we are a community who gather together because we need to hear the message of God's mercy to us in the death of Jesus Christ.

We believe that the best way to discover more about God is in community. That's why we provide different opportunities during the week to get together, enjoy each other's company, and to find out more about God. Our church is a hive of activity, with something for everyone. But it all has the same purpose: we want to be shaped by the good news of Jesus Christ, so that we can be used by God to do the things he wants done – in the Eastern Suburbs, in Sydney, and across the world. We hope that you will join us.

*Michael Jensen, Rector*
