

## **Suggested counsellors**

The following is a list of recommended Christian counsellors listed in alphabetical order.

Please note these counsellors do not represent St Mark's and we'd encourage you to use discernment in your time with them.

We're here to help. When you're going through a hard time, we'd encourage you to talk to someone in your Connect Group or a minister at church, at the same time as seeking professional help. We'd love to pray for you and with you.
