

St Mark's Choir is delighted to be reviving Choral Evensong (Evening Prayer) services. Two services are held each year, usually in June and October. We encourage anyone who values the services contained in the 1662 Book of Common Prayer to attend and enjoy this musical treat and time of reflection. The next services will be held at 3pm on Sunday 21 June and Sunday 1 November. The Choir also holds an annual Choir Concert which will be held on Sunday 29 November 2026 at 2pm.
