# From Michael Jensen

The Rector

Under God we're planning a return to in person gatherings from 31 October 2021.

This is going to be the first Sunday we will meet together after NSW has reached 80% full vaccination of the eligible population. And there's something fitting about returning to church together on 31 October after 18 Sundays online: 31 October is Reformation Sunday. It's the day in the church calendar when we especially celebrate the foundational truths of the Christian faith that we are right with God by his grace alone, through faith alone, in Christ alone, based on the Bible alone, for the glory of God alone. What an excellent moment to be able to celebrate coming together again as Christ's family.

A return to gathering at this time will be a great joy, albeit with some continued restrictions and precautions in place. It will be an opportunity for all of us to show in our words and actions toward one another what we have been learning in Philippians over these past weeks: that we are those who are not only saved by grace, but completely transformed by grace, as we seek to love one another, serve the city and share Christ.

---

**OUR CONTINUING  
VISION:**

**TO BE  
TRANSFORMED BY  
GRACE TO LOVE  
ONE ANOTHER,  
SERVE THE CITY  
AND SHARE  
CHRIST**

**If then there is any encouragement in Christ, any consolation from love, any sharing in the Spirit, any compassion and sympathy... be of the same mind, having the same love, being in full accord and of one mind.**

**Do nothing from selfish ambition or conceit, but in humility regard others as better than yourselves. Let each of you look not to your own interests, but to the interests of others. Let the same mind be in you that was in Christ Jesus....**

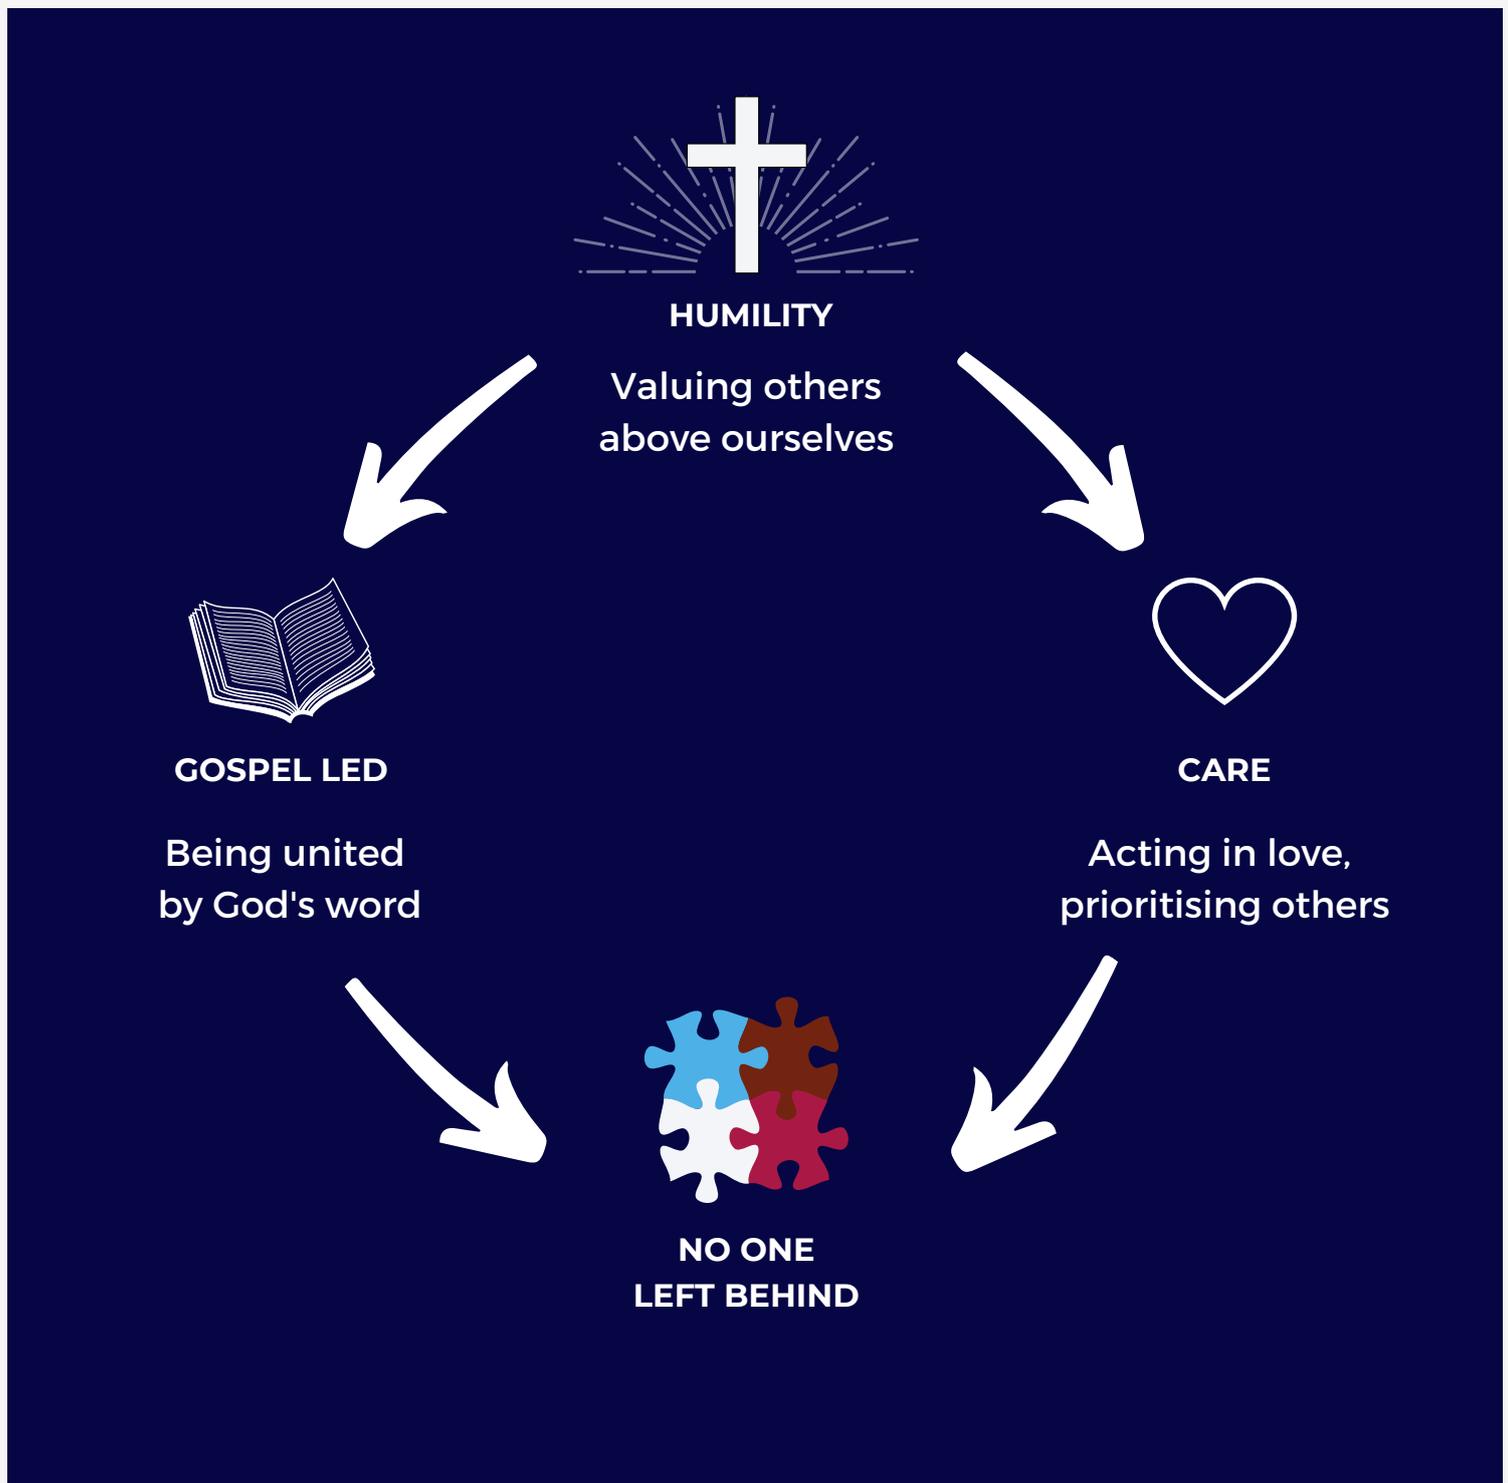

**Philippians 2:1-5**

# Philippians 2 in action:

## *No-one Left Behind*

As we look forward to meeting face to face once again, pray that we might continue to have the mind and attitude of Christ toward each another. We'll all adjust to "normal" at different speeds, with different anxieties and concerns, and different priorities and energy levels. Treating one another with gentleness and respect during this time will be key in making sure there is *no-one left behind*.
