Join us for a guided tour of one of Sydney's oldest buildings. Visit both chambers where laws are made in some of the oldest rooms in Australia's first Parliament. Over one hour, our friendly guides will take you around the parliamentary precinct and through the historic legislative chambers. You will experience the beautiful colonial architecture while learning about the role, history and work of the Parliament. We will enjoy a light morning tea with Ms Kellie Sloane MP, followed by an opportunity to watch question time.
